

Harvest Food • Fight Hunger • Build Community

Founded in 2009, Food Forward fights hunger and prevents food waste by rescuing fresh surplus produce, connecting this abundance with people in need and inspiring others to do the same. Food Forward staff and volunteers rescue 350,000 pounds of surplus produce each week from fruit trees, farmers markets and the Los Angeles Wholesale Produce Market.

**50M**

Pounds of produce recovered and donated

**1.75M**

People to be fed in 2018

**575**

Hunger relief agencies receive recovered produce
